

Design Approval Authority

TRANSPORT OPERATIONS (MARINE SAFETY) ACT 1994

Yamaha Waverunner VX110

No. DA - 006

This approval has been assessed to AS 1799.1-1992 and issued for this model based on the following documents:-

- Positive Flotation Statement no. PF26080
- Suitability Statement 30 November 2004

Specification of model:-

Length	3.22 m
Breadth	1.17 m
Depth	1.15 m

Conditions of approval:-

Class 1F - Hire Vessel for use in Smooth Waters only

Class 2D - Operations in Smooth and Partially Smooth Waters only

Class 2C - Restricted Offshore Operations to One Half Nautical Mile from land for use by accredited rescue organisations

Maximum number of persons - 3

Maritime Safety Queensland may register ships of the above model or issue Certificates of Survey in respect of such ships in accordance with the above Act, without the need for documents to be provided with each application for registration or survey if the application makes clear reference to the Design approval No. quoted on this document.

A builder may quote a Design Approval No. and the above conditions on any application for a Certificate of Registration of Commercial Ships.

This authority unless suspended or cancelled, shall remain current from **30 November 2004** and will expire on **29 November 2009**

W. BUNDSCHUH
Director (Maritime Safety)

Date: 10 February 2005
